To: Li Khan <30039799@cc.peralta.edu>

Hello Laney Students,

There are three outside elevators that are off-line at the moment. While these outside elevators undergo service, please note that those individuals normally using the Building G, E and Forum elevators should access the second/upper level of campus by using the ADA accessible ramps found on the campus map below.

Individuals needing assistance - especially those who are not able to access the ramps, should call the Business office at (510)-464-3228.

Once a timeline is made available, we will inform the campus community.

Thank you for your patience.

Sincerely,

Dettie Del Rosario, Ed.D.
