Re: Public Records Act Request Dated 05/15/2024

Dear Ms. Schmedel:

Please accept this correspondence in response to your Public Records Act (PRA) request sent to the Peralta Community College District (District) via electronic correspondence on May 15, 2024.

You requested the following records:

1. Any and all emails between the director/staff of the Peralta Colleges Office of International Education and representatives of the American Straight A Academy (ASAA)-including but not limited to emails to and from Gavin Wang (also goes by Daoshan Wang and Yu Wang), CEO of ASAA.

Response: The District originally promised to provide responsive records by June 26, 2024. However, the search for responsive emails produced a PDF of over 10,000 pages of emails. The District has attached some of the responsive emails to this correspondence, but needs more time to finalize its review of all responsive emails and will provide you the remaining responsive emails by July 2, 2024.

2. Any brochures provided to the director and staff of the Peralta Colleges Office of International Education by the American Straight A Academy (ASAA) regarding their services.

Response: The District does not have any records responsive to this request.

3. Any communications via email, letter, and/or text to the director/staff of the Peralta Colleges Office of International Education from the American Straight A Academy (ASAA) indicating how much ASAA charges their students for tuition, room and board, and any other fees.

Response: The District does not have any records responsive to this request.

Please contact me if you have any questions or concerns.
